

NEW Health Self-Screener for Athletics

Effective February 1, 2021, RCS is moving to a new platform for student athletes and visitors to use for COVID-19 screening. The district has chosen a platform called **Clear to Go!** which has an app that you can download onto your Apple or Android phone.

For students, we have uploaded your RCS email address, student number, parent phone number and email address. **If you do not wish to download the app** you may use the screener link found in the daily reminder sent to your chosen email address. A screener reminder will go out via email at 7:00 a.m. Monday – Sunday.

Upon receipt of the green check, you may proceed to practice / athletic event. If you receive a Fail Exposure or a Fail Symptomatic notification, please do not enter the building and contact your coach or your athletic supervisor. A case will be opened and you will be contacted to begin the investigation and contact tracing. Below is information regarding the **Clear to Go!** screening process.
