The above student requests the G option for the following classes (check each class G is being chosen and specify class name):

2nd Semester 2020/2021 - Please complete this form for <u>only</u> the class(es) that you wish to change to "G"			
Class Period	Class Name	Teacher Name	Current Semester 2 Letter Grade
1st Period			
2nd Period			
3rd Period			
4th Period			
5th Period			
6th Period			

Information to Guide the decision to choose a "pass" of G rather than a letter grade:

- A "G" will be posted for all grades requested (D- or above). An "H" will be posted automatically if the grade is an E.
- Neither G nor H will impact the student's GPA. Keeping the original letter grade **WILL impact the GPA**.
- G/H will not negatively impact NCAA eligibility **at this time**. (for more specific information go to [NCAA COVID FAQ](#)).
- A note regarding G/H will be indicated on the transcript and an explanation will accompany the school profile sent to colleges for high school students.
- Students must earn a "G" for a class to fulfill a graduation requirement for high school graduation ("H" will need to be retaken).
- Students should research and strongly consider the implications of selecting G/H with their college admissions office, college financial aid office, military/employer, insurance company, etc. Students may also wish to consult with their counselor. In general, a more complete transcript may be more desirable for college admission and students may be asked to fully explain a G grade.
- Online coursework taken out-of-district does qualify for G/H.
- For future coursework with a minimum grade prerequisite, proof of the required grade will be necessary to take the course. You may wish to talk with your current teacher about next year's placement.
- All students taking a course are expected to meet normal course requirements (assignments, papers, assessments, attendance, etc.) and are graded in the normal way to receive a G in the course.

Changes will be made starting with the senior class, and **the manual process will be completed over the summer**. Students will receive an email once all changes have been completed.
